

# Jönssson Ligan

the story of the bear and his two sons...

The Jönsssonligan consisted of  
dad bear and his two sons  
All three "worked" at the same company

The Philip screwdriver

The bear

...and this guy

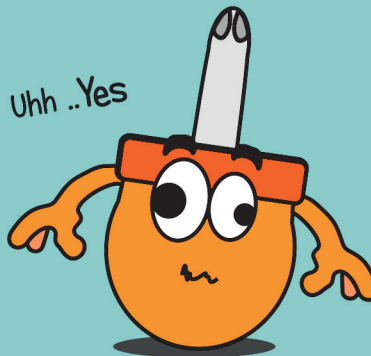

The bear  
Extremely lazy and sometimes becomes  
it a bit wrong when he tries think but  
...well ...he is so kind

o Finance Manager o

Philip screwdriver  
He doesn't say much and always  
does like everyone else

Uhh ..Yes

...and this guy  
Does different things, unfortunately  
always wrong things at the wrong time  
Managing a job is nothing for him

...at the workplace

It's boring to work  
Can't we steal something?

tronic Service

Yes!  
I am tired of working. buying stuff  
with corporate money is boring

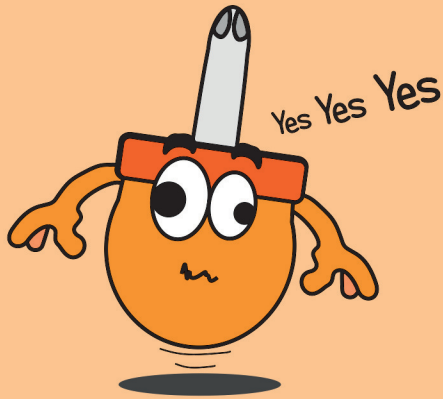

Let's steal something!

tronic Service

Shopaholic and Alcoholic

Philip likes the word YES

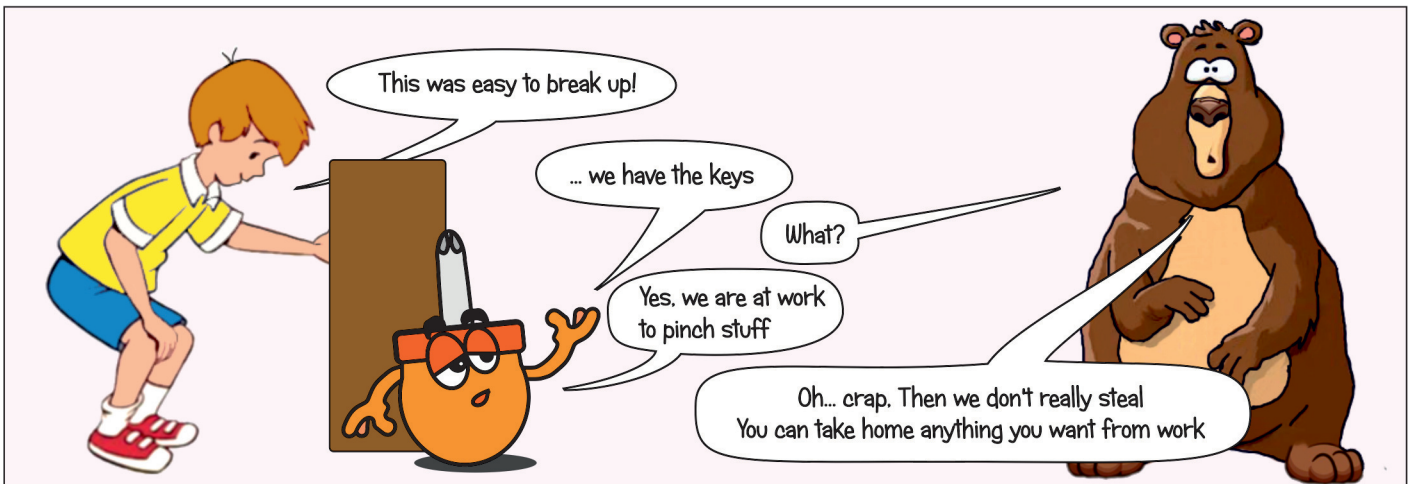

On a few occasions they could be quite creative, especially when they deviate from the work (which they often did)

Let's "borrow" the company's car and trailer. We must first rip off some tools ... then we will ...

We have to steal flowers made of plastic

plastic?

Yes, it must be plastic flowers!

One day later...

One month later ...
